

*SUSSEX COUNTY PEDIATRICS*

## **VACCINE ADMINISTRATION POLICY**

We follow the American Academy of Pediatrics vaccination schedule and we recommend our patients adhere to this schedule.

The **ONLY** alternate schedule we will consider is one where the child receives at least 2 immunizations at a visit and the parent agrees to bring the child back within one month for the remaining immunizations.

Failure to follow either the American Academy of Pediatrics vaccination schedule or the above alternate schedule will result in dismissal from our practice.
